Dear Sir Jonathan:

Thank you so much for the CD's, *Israel – Home of Hope*. I commend you on this ambitious project with its noteworthy and admirable goal. I am especially gratified to hear that the screening of *Prince of Egypt* stayed with you over the years.

Thanks again for thinking of me.

Best,

Dear Chief Rabbi Sacks,

Thank you very much for sending several copies of your wonderful CD "Israel – Home of Hope". After listening to both parts I wish to praise it as an excellent Hasbara tool which clearly demonstrates the deep connection between the People of Israel and the Land of Israel.

I also enjoyed the musical pieces which showcased both contemporary and traditional music (I do love the Seeba Chore!).

With best wishes,

Dear Sir Jonathan

Thank you for your letter of 14 April to Guy Wilkinson enclosing the CD's telling the story of Israel. What a beautiful package design.

Guy is on holiday this week and then goes straight to a conference in Scotland, so I thought I should let you know that it will be a little while before he is able to listen to the CD's and respond to you.

Yours sincerely

Pamela

Dear Chief Rabbi

Thank you for your letter of 27th March and the enclosed CD's to celebrate Israel's 60th Anniversary.

Morven and I played it over the weekend and must congratulate you and your office for presenting our story of three and a half thousand years in such a way that it becomes compulsive listening.

Kind regards.

Yours

Michael Heller

Dear Chief Rabbi,

Thank you so much for sending Carol and me the copies of your new C.D.

This is a tremendous presentation in an exciting and novel format which I know will give us great pleasure.

Its distribution worldwide will be a major coup for Anglo Jewish under your leadership and I do congratulate you on this significant achievement.

With warmest good wishes to you and Elaine.

As ever
